University Information Technology Services

Website	http://uits.iu.edu/
Phone	812-855-9255
Email	uits[at]indiana [dot] edu
Description	University Information Technology Services (UITS) at Indiana University, with offices on the Bloomington and Indianapolis campuses, develops and maintains a modern information technology environment throughout the university in support of IU's vision for excellence in research, teaching, outreach, and lifelong learning. UITS provides tools and services to support the academic and administrative work of the university, including a high-speed campus network with wireless access, central web hosting, a rich selection of free and low-cost software for personal use, tools and support for instruction and research, and supercomputers for data analysis and visualization.

Serious Macintosh Users Group

Website	http://www.smug.net
Contact	Marc Kerr
Phone	812-855-0949
Email	smugbl[at]smug [dot] net
Description	Our members are serious about enjoying Macs and what they can do for us, but overall we are a mixture of novices, journeymen, and long-time Mac users, all having fun with our favorite computer. We provide a meeting place for Mac users in south-central Indiana to share, learn and play with all things Mac. Meets 2nd Wednesday of month in MCPL from 7:00 pm to 8:30 pm in room 1C. The meetings are free and open to the public.
