E-Fashion Design

Main Library Teen Program [1] Maker Program [2] Program Room 2B [3]
Thursday, June 6, 2013 | 3:00 pm - 6:00 pm
Fashion is now being transformed by the integration of wearable technologies. Light up your wardrobe in this unique hands-on introduction to e-textiles by creating your own electronic cuff bracelet! You'll learn to use conductive thread to "sew" a circuit. No prior experience with sewing, crafting, or electronics needed.
Ages 11-18. Please register.
