- Sensory Storytime

Main Library Children's Program [1] Meeting Room 1C [2]
Thursday, May 15, 2014 | 10:00 am - 10:30 am
Join us for an interactive and educational storytime for all preschoolers, but designed especially for children with sensory integration issues. We combine stories, songs, and activities to stimulate all the senses and promote learning. If your child has difficulty sitting through the Library's other storytimes, this inclusive program may be just what you are looking for.
