Book Title:
Beastly
Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:
In school we have an advanced reading group that I'm in, and our next book was Beastly. All

the boys were groaning, but every single one of us (13 people) got it done in one night! It was an excellent story, but the cover didn't go with the book at all. The guy, Kyle Kingsbury, doesn't have tattoos, and the girl has orange hair, not black.

What is the story about?/What happened in the story?:

The book was Beauty and The Beast with a twist, and it wasn't all little kiddy either.

Why did you like this story? or Why did you not like this story?:

I absolutely loved this book, and highly recommend it.

Other thoughts or feelings about this story? Anything else to add?:

If you need something to read, this is it!
