I will admit to having been both leery and intrigued by the premise of Abraham Lincoln Vampire Hunter. The idea of one of our historically beloved presidents being turned into Buffy the Vampire Slayer appalled me. However I like a good vampire film as much as the next person. I also like being surprised. **[Read more »](#)**

Beasts of Burden

Making yourself read outside your comfort zone can end up with some total misses

and some excellent surprises. In all likelihood I would have missed Beasts of Burden: Animal Rites, a graphic novel about a talking pack of animals that solve supernatural mysteries in their seemingly sweet suburban neighborhood of Burden Hill. That description wouldn't peak my interest, but also doesn't do the graphic novel justice either.

The storytelling is episodic, in that there are chapters that are a complete story into itself which makes for a fast read. There is a pack of animal friends, all dogs and one orphan cat who start uncovering supernatural cases in their neighborhood. They eventually become apprentices in the Wise Dog Society to further their training in fighting these evil forces. The supernatural stories cover a wide range from an evil coven of cats, a rain of mutant frogs, werewolves, magical earthen golems, ghosts, and more. **[Read more »](#)**
