## Unbroken: A World War II Story of Survival, Resilience and Redemption

*Unbroken* tells the amazing true story of Louie Zamperini, a rascally little boy who grows

up in Southern California to Italian immigrant parents. As a child, Louie is constantly in trouble and has a restless energy. His saving grace is being introduced to long distance running by his older brother. Louie ends up running in the 1936 Olympics in Berlin and is focused on the 4 minute mile and another chance at the 1940 Olympics.

Back home, he enrolls in USC and continues running when the War interrupts. Louie joins as a gunner in the Army Air Forces. He is eventually sent to the Pacific theater and after a few successful missions, his plane crashes in the Pacific during a search mission. Three members of the aircraft team make it to two small liferafts and his unbelievable story continues. Louie's 40+ day survival on a life raft seems impossible. Then he is shot at and captured by the Japanese and unofficially is held in horrible war camps. Here too, his survival is seemingly impossible. Louie does survive, his spirit is damaged, but also hopeful. Louie's story will stay with you. I kept thinking of him and his story well after I finished the book. **Read more »**
