Description

Girls Incorporated is a national youth organization dedicated to helping girls become strong, smart, and bold. We provide programs to girls after school, on weekends, and during the summer through our network of affiliates. In addition, we conduct research on girls' issues and advocate for girls. Girls who participate in our programs range in age from 6 to 18 and come from a variety of backgrounds, including Caucasian, African-American, Latina, Native American, and Asian, among others. Fifty-four percent are from single parent families.
