

Monroe County Radio Control Club

Website <http://www.monroecountyrccclub.org/>

Contact Mark Sexton (President)

Address P.O. Box 484
Bloomington, IN 47402

Description Purpose of the club is to propagate the wonderful sport of model aviation, and to provide our members with the opportunity to learn and enjoy radio controlled flight. The club hosts various club functions, fly-ins, contests, etc. The club accommodates a diverse groups of airplanes and an assortment of aircraft types, including: Fun-flyers, ducted fans, helicopters, pattern flyers, pylon racers, scale flyers, sport and/or recreational flyers, trainers, and turbines. Flying field located about a mile east of State Road 37 on Wylie Road.

Subjects [1 - Cultural \(Arts & Humanities\)](#), [Airplane - Models](#), [Hobbies](#)
