The purpose of CCL Youth Mentoring Program is to reach out to local high school students to explore various aspects important towards obtaining a strong education. The program cultivates friendships between university/college scholars and high school students to create a relationship where high school students can turn to mentors for guidance on available resources and a positive social outlet. For more information or if you know of a high school student who would benefit from this program please contact the CCL Mentoring Program Facilitator Prisma Lopez-Marin at pmlopezm [at] indiana [dot] edu
