[Main Library Adult Program](#)

Saturday, November 16, 2013 | 7:00 pm - 8:45 pm

Join us at the historic Buskirk-Chumley Theater for an evening with novelist, Nicole Mones. A magnetic storyteller, Mones page-turning contemporary fiction combines strong elements of mystery and political intrigue in exploring the impact of art and aesthetics on peoples attitudes toward relationships and life. Her work touches upon a universal dilemma: being caught between tradition and modern life. **Drop in** or get your free ticket at mcpl.info/PowerOfWords
