Saturday, February 8, 2014 | 12:00 pm - 4:00 pm

Mending Day is a free monthly mending workshop. Sewing machines and menders will be available to assist or do the mending for you. Bring your clothing in need of small repairs and Menders will do their best to return your clothing to a wearable state. They can also help you to learn to sew or figure out your own sewing machine. This event is created by Discardia, a project of the Center for Sustainable Living.
