

# E-Fashion Design

[Main Library Teen Program](#) » [Maker Program](#) » [Program Room 2B](#) »

Thursday, June 6, 2013 | 3:00 pm - 6:00 pm

Fashion is now being transformed by the integration of wearable technologies. Light up your wardrobe in this unique hands-on introduction to e-textiles by creating your own electronic cuff bracelet! You'll learn to use conductive thread to "sew" a circuit. No prior experience with sewing, crafting, or electronics needed.

Ages 11-18. Please register.
