

Internet Safety and Security - Bloomington

Program Room 2C

Monday, January 13, 2014 | 2:00 pm - 4:00 pm

Tech trainer Austin Stroud discusses the potential dangers of putting personal information online and how to determine if a website is trustworthy. Tips are shared on protecting your online information, safeguarding against viruses and phishing attacks, finding reliable online information sources, and protecting yourself and children from online predators. **Please register.**
