Tuesday, October 22, 2013 (All day)

One day in the life of our Library

Help us document all the ways the community uses and enjoys the library in a single day. Check out books and DVDs, attend a program, use our computers, play in the Childrens Learn and Play Space, and let us know what you think about your library. Stop by our special photo booth between 3-7 p.m. to have your picture taken as a keepsake of Library Snapshot Day.

9 a.m.-9 p.m., Tuesday, October 22

Co-sponsored by the Friends of the Library as part of Friends of the Library Week
