

- New Movies for Parents of New Babies

[Main Library Children's Program](#) » [Children's Program Room](#) »

Thursday, March 7, 2013 | 10:00 am - 12:15 pm

For adults with babies not yet walking. We will not be able to admit toddlers, or older children. Missed out on some new movies because you've been busy with baby? Enjoy watching a recent release in the comfort of our program room while your baby sleeps or plays on the floor next to you. Other parents in attendance will understand if baby gets fussy. If baby's needs require you to leave before movie's end, we can place a hold on a library copy of the movie before you leave. No registration necessary, just drop in.
