Teen Volunteer Orientation

Volunteer in the Children's Department!

Would you like to help with some of the programs the Children's Dept. is offering this summer? Come to the orientation meeting to find out more about our volunteer jobs and to set up a schedule. Please bring a calendar, so you know what dates you'll be available! (Check with a parent beforehand, to find out when you'll be in camp or out of town.) Please sign up for volunteer opportunities only if you are serious and motivated about being here when promised. Middle school students are encouraged to have a parent attend with them. Orientation Meeting open to middle school (finished 6th grade) and high school students.

No registration necessary.

Thursday, May 30, 4:30-530 p.m.
