Open Idea-Pitch Night for TEDxBloomington 2014 - An opportunity for members of the Bloomington community to pitch an idea for a talk at the next TEDxBloomington event. Pitches should be between 3 and 5 minutes and ideas should tie in, in some way, to our 2014 theme: "What Goes 'Round" (i.e., historical trends and practices that are once again gaining popularity, or other natural, scientific, or historical events/phenomena that are cyclical in nature).

So that we can better gauge the number of people who plan to pitch ideas, please RSVP to: jennifer [at] tedxbloomington [dot] org
