

# Wind-Powered Lanterns - Ellettsville

[Ellettsville Children's Program](#) [Ellettsville Teen Program](#) [Maker Program](#) [Ellettsville Program Room](#)

Monday, June 23, 2014 | 6:00 pm - 8:00 pm

<http://mcpl.info/sites/default/files/imagepicker/6/lanterns.jpg>

Create your own wind-powered lantern in this workshop. A glass jar, feather, and some simple electronics are the basic ingredients to make a whimsical light for your porch or garden. Learn the basics of soldering and circuitry and then apply your creativity to design and decorate your lantern.

**Completed grades 4-12**

**Evanced ID:**

42079

**Featured Event:**

off

[Registration Required](#)

**Presenter:**

Chris Hosler
