

# Suggestion for Purchase

[\[Scroll down for the Suggestion for Purchase form.\]](#)

We welcome your suggestions for titles to be added to the Library. Actual purchases will be based on our Collection Development Policy, availability, and available funding.

The library receives many suggestions for purchase. We do our best to fill requests when suggested titles meet our guidelines and are available for purchase. If we purchase the suggested item, we will place a hold for you. However, submitting a request does not guarantee that you will be first on the holds list.

Publishers often announce new titles by popular authors well in advance of the publication date. Because of budgetary constraints, requests submitted more than 60 days before the announced publication date are not considered for purchase.

Between November 1 and December 31, orders may be delayed due to end of year budget deadlines.
