**Why did you decide to read this book? Did a friend suggest it? Did it have an**

**interesting cover?:**

I decided to read this book because I read another person's book review for this book.

**What is the story about?/What happened in the story?:**

The story is about a popular boy who thinks he is really cool and handsome. For a school dance he asks a very popular girl to go with him. She obviously says yes because he is cool. Then he asks what somebody like him would call a 'nobody', someone who is not cool. She says yes as well. At the dance when he shows up with the popular girl she gets mad and casts a spell on him because she is a witch. He got turned into a beast and he has to find a true and they have to kiss before he can turn human again. If he can't do that in the 2 years then he will remain a beast forever.

**Why did you like this story? or Why did you not like this story?:**

I liked this story because it was suspenseful and it made a selfish boy turn into a kind man.

**Other thoughts or feelings about this story? Anything else to add?:**

I would recommend this story to 12+ but I did like it, but for some people this might not be their reading level. If it isn't your reading level but you still want to read it then I would recommend reading it slowly.
