**Why did you decide to read this book? Did a friend suggest it? Did it have an**

**interesting cover?:**

My sister and I were just wandering the young adult and the picture on the cover just caught my eye. Then I just wanted to know what it was about:-).

**What is the story about?/What happened in the story?:**

The story is about a Lebanese Muslim girl named Jamilah who feels like she doesn't fit in with the "in-crowd" just because of her culture. But later she realizes you have to be true to yourself first.

**Why did you like this story? or Why did you not like this story?:**

It shows that person from any country, any continent, ANY PLANET can have just a great a life as anyone else.

**Other thoughts or feelings about this story? Anything else to add?:**

It helped see that not every Muslim is bad, but can generally just be normal people and have normal lives. I definitely recommend this book for anyone who wants to find their inner voice.
