romance

Write a review of the book, including plot points, if you wish:

In this book a girl goes through 7th grade trying to become popular. But somewhere along the lines she meets the wrong people and ditches here real friends. She has a big mess on here hands and she has to fix it. When you pick it up its hard to put it down. That is why I finished it in one evening.

Similar authors or titles?:

11,12,13 Alyssa Burgman

Would you recommend this book?:

Yes but it doesn't take that long to read so if you like long books I would not.
