**Write a review of the book, including plot points, if you wish:**

The Luxe is an exciting slow-paced historical romance in New York during the end of the 19th century to the beginning of the 20th century with several love triangles. This book is like Gossip Girls a century before.

**Similar authors or titles?:**

Gossip Girl is probably the closest title available.

**Would you recommend this book?:**

I would recommend this book to anybody who has a sensible amount of patience for slower-paced books.
