# Write a review of the book, including plot points, if you wish:

Mr. Meyer thrills us yet again with another installment in his Bloody Jack series. I will not summarize the book here, so as not to give anything away, but I will recommend that you read the whole series as it is a lot of fun. While not the best book in the series so far, My Bonny Light Horseman did not disappoint, between the exciting action and Jacky's inescapable charm, I was captivated from beginning to end.
