**Book Title:**

Happier at home : kiss more, jump more, abandon a project, read Samuel Johnson, and my other experiments in the practice of everyday life

**Author:**

Gretchen Craft Rubin

**Why did you read it? Why did you finish it? Who would you recommend it to?:**

I thought the title sounded intriguing so I picked it up. I finished it because it ended up being very thought-provoking. It inspired me to do some simplifying of my own. I would recommend it primarily to women - probably 20-65.
