**Why did you read it? Why did you finish it? Who would you recommend it to?:**

If you are a fan of JRR Tolkien and the LOTR you should definitely check this out. The art design in this book is SPECTACULAR! I could not believe all the time and effort the designers had to put into these movies. This book goes into detail about the decorations in each room, the different races of elves/humans/hobbits/dwarves. There are so many small details in this book that open your eyes to how many countless days and hours from so many people were poured into this 3 part film. This book is a must read for anyone who is a fan of The Hobbit: An Unexpected Journey.
