Description

Since 1917, the Monroe County Chapter of the American Red Cross has provided disaster relief, services to Armed Forces, emergency preparedness and lifesaving programs to Bloomington and the surrounding communities. Today we serve residents in both Monroe and neighboring Owen County 24 hours a day, 365 days a year.

This congressionally-mandated service not only applies to major national tragedies but also to single-family incidents, generally fire, flood or tornadoes. Typically Red Cross responds by purchasing food, new clothing and providing shelter for families to help meet immediate emergency needs.
