Description

The Arts Alliance of Greater Bloomington maintains an Artist Directory & promotes local arts with a unified voice.

The AAGB is an association of artists, art organizations, and arts advocates dedicated to furthering arts of every type in our area by providing a forum for communication, encouragement, and action. It aims to be a collective and unified voice for the arts in all their diversity to improve the general condition of artists and their organizations. Through this collective action the Alliance seeks to reinforce the vitality of the Bloomington area as a center for the arts for our citizens and a vibrant destination for visitors.
