| Address | Bloomington, IN |
| Description | The hash is a non-competitive social club that meets to run, jog, or walk a four to six mile cross-country trail. The trails, set up by different hashers each week, traverse obstacles designed to slow down the hashers-- including creeks, mud, sewers, tunnels, brambles, shopping malls, etc. Following the hash trail there is a brief ceremony welcoming new hashers and marking how many trails members have completed. |
