Book Title:

Harry Potter Book 7: Harry Potter and the Deathly Hallows

Author:

J. K. Rowling

Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:

I decided to read this book because I love to read the Harry Potter series. The Harry Potter series is the best series I have ever read!

What is the story about?/What happened in the story?:

This story is about a boy named Harry Potter and his friends, Hermione Granger and Ronald Weasley, who are searching for Lord Voldemort's Horcruxes.

Why did you like this story? or Why did you not like this story?:

I liked this story because I love mystery and adventure; and that's what this story is all about. I love that there is an epilogue at the end 19 years from the end of this book. I also like that the author dedicated the book to me because I have stuck with Harry until the very end.

Other thoughts or feelings about this story? Anything else to add?:

It is sad to know that this is the last book of the Harry Potter series. I would recommend this book to people who like mystery, adventure, and (of course) magic.
