Write a review of the book, including plot points, if you wish:

The Z fighters have all been beaten by the evil Cell. The youngest of all the fighters has now opened a door inside himself to a greater power super saiyan 2. He is now at the same level as cell maybe even higher. they lock in to a great battle till finally the both shot and energy wave that collides now it is a fight of strength right once the young gohan feels he should give up his fathers spirit comes and helps him defeat cell.
