J.K.Rowling

Genre:

fantasy

Write a review of the book, including plot points, if you wish:

This book is a great book but, it has some sad times.I think J.K.Rowling made the best ending to this book.I also think she couldn't of made a better book no matter what happen in it.

Similar authors or titles?:

The Harry Potter collection

Would you recommend this book?:

Yes I would
