Name:

Lynn Lamptey

Grade:

12

Title:

Peeps

Author:

Scott Westerfeld

Genre:

general

Write a review of the book, including plot points, if you wish:

The story was set in New York. This is a different, unique kind of vampire story. It describes vampirism as a virus which can only be transmitted 'sexually'. Scott Westerfeld included interesting fact about parasites and other science facts. Overall this is a good book.

Similar authors or titles?:

Libba Bray, Holly Black, Ally Carter, Melissa De La Cruz, Melissa Marr

Would you recommend this book?:

Yes, Only if you enjoy reading twisted, sci-fi, engaging fictional books. Age 14 and up.
