This is Push: New Stories from the Edge

**Author:**

David Levithan

**Genre:**

general

**Write a review of the book, including plot points, if you wish:**

"This is Push" is an anthology of short stories by up-and coming-authors on the young adult scene. "Push" is filled with unique short stories and poems. Some are captivating, some are cheerful, others are brutal and downright disturbing at times. I wouldn't recommend some of the stories to more sensitive readers, as there is some crude language and imagery.

**Similar authors or titles?:**

Other novels by published by the "Push" publishing company.

**Would you recommend this book?:**

Yes, to some people.
