Write a review of the book, including plot points, if you wish:

George and Kate are promised the finest education when they transfer to the Whittaker Magnet School. Their new school's curriculum is focused on beating standardized tests; classes are held in dreary, windowless rooms; and students are force-fed noxious protein shakes to improve their test performance. Worst of all, there seems to be a demon loose in the building, one whose murderous work has effected them in many ways kate hates the new school it is to hard for her and she wants to go to her old school and act in the play peter pan. she also hates her mother she dreams of a time when her father will come back and fix everything . she soon finds out he is the town hobo . they trap the evil spirit in a book and the school is closed down but turned back into its library
